# Course overview

**This seminar will provide you with an essential overview of the key areas of pharmaceutical regulatory affairs in the Middle East.** This two-day course will focus on practical aspects and will cover the regulatory requirements and developments in the individual countries as well as discuss harmonisation in the region.

## Benefits of attending:

- **Gain** an overview of the regulatory environment in the Middle East
- **Understand** the economic and cultural background to the markets
- **Clarify** procedures for company and product registration
- **Discuss** harmonisation and recent developments in the region

## Who should attend?

### This seminar will be of particular interest to:

- Personnel involved in pharmaceutical regulatory affairs in the Middle East
- Anyone new to the region
- All those interested in an update on recent developments

# Reviews

**Great. I particularly liked the global information [section] and it was up to date information so I thought it was really complete.**

**Maya El Fayoumi**  
Chargée Affaires Réglementaires  
Panpharma Ltd  
Jun 23 2025

**The speakers were excellent! The content and presentation were satisfactory as well. I accomplished what I was hoping to achieve.**
