# Managing Risks as a Corporate In-house Lawyer

**17 November 2025**

This half-day webinar will take you through the essentials of identifying and managing risks within your business. It will give you the knowledge and skills which are essential to your role as an in-house lawyer.

**Format:**  
Live online

**CPD:**  
3 hours for your records

Certificate of  
completion

# Course overview

**Join our half-day masterclass to get to grips with the essentials of risk management for corporate lawyers.** As an in-house lawyer, a good understanding of risks and how to identify and mitigate against them is crucial to your role. Are you equipped with the right skills?

Risk management knowledge equips in-house lawyers to protect their company and ensure their business is adhering to compliance requirements. It also helps support decision-making and managing contracts successfully, as well as planning strategically, and safeguarding the company's reputation.

This course focuses on:

- Identification of risk
- Long term risk versus short term risk
- Legal risk versus business risk
- Risk and opportunity assessments
- Quantifying and managing risk
- Communication around corporate risk
- Do's and don'ts about risk

Learn from our expert speaker and gain invaluable insights that you can put into practice.

## Benefits of attending

By attending this course you will:

- **Gain** practical tips enabling you to increase your risk awareness
- **Learn** how to better manage and communicate about corporate risk
- **Acquire** tools to successfully identify and assess risks

You will also have the opportunity to ask questions of the expert trainer during the event.

## Who should attend?

This course has been specially designed for:

- In-house patent attorneys
- IP lawyers and legal advisors
- Private practice patent attorneys
- Senior administrators and paralegals
- Others responsible for managing an IP portfolio

# Presenter

## **Olivier Corticchiato**

**Olivier Corticchiato** is an independent intellectual property consultant. He combines strong international experiences in leading IP teams for major global companies. He was until recently European Patent Attorney and Head of Centre of Competence – Patent Oppositions at Nestlé, and before that he was at Proctor & Gamble. His speciality areas include patent, IP, IP portfolio, design rights, EPC, European Patent Convention, contracts, confidentiality, oppositions, litigation, valuation, appeal, agreements, R&D, business development, litigation, IP M&A and IP due diligence.

His extensive experience in IP, R&D, consumer understanding and IP M&A, means Olivier is legitimate at operating in the inner circle of IP-Legal, and innovation/R&D, business/marketing.

He acquired the experience of people management in his various R&D and IP positions and attaches importance to shaping organizations to match the business objectives. Developing strategies, sharing and advising organizations in the field of R&D and intellectual property have become his fundamental direction.

He says: *"Intellectual Property is not an island of obscure and boring legal rights - Intellectual Property rights are dynamic assets that companies must extract value from, primarily by securing competitive advantage over time"*.
