# The Leading Note: Ed Jordan with 'Walk in Winning'

Recorded on **25 March 2025**

With the pace of technology, desire for flexibility and search for meaning shaping the world of work, there is a need for a new leader, and that leader is you.

**Format:**  
Recorded webcast

**CPD:**  
1 hours for your records

Certificate of  
completion

# Overview

**The ability to lead and motivate yourself as well as take care of your own physical and mental health are critical to navigating change and evolving into the best version of you.** This course will equip you with a new approach to self-leadership in a volatile, uncertain, complex and ambiguous world. This is a high energy 'power hour', designed to uplift, motivate and inspire your team.

This **FREE** session is presented by Ed Jordan, a dynamic keynote speaker and seasoned executive and leadership coach, with over 10 years' experience empowering leaders and organisations to reach their full potential. Ed spent the first 25 years of his career as a TV and radio presenter, multi-platinum selling recording artist and film composer in South Africa, before joining the financial services sector as an executive in 2014.

Never before has there been more of a need for inspiration, motivation and resilience. In this highly-actionable keynote, Ed Jordan shares his philosophy of 'Walking in Winning' and his journey from music, TV and the performing arts into to the world of high net worth banking.

This talk will help individuals and teams navigate the new world of work as they learn to integrate body, mind and soul with their purpose and walk into the future winning!

**Key topics covered in this exciting talk include:**

- What is 'Walk in Winning'?
- The power of visualisation
- Breathing your way into mental and physical health
- The power of belief
- Bravely taking the first step into the unknown

## Benefits of attending

- **Understand** that you have what it takes to lead yourself and others. All you need to do find the time to think clearly, then take the first step
- **Fresh** ideas on self-care and uplifting yourself so that you can uplift others
- **Visualise** and clearly articulate what it is you want from work and life
- **Ensure** your team have the best possible change for success as they learn the key principles for navigating a complex world

## Who should attend?

This course is designed for managers and staff who are looking to reach the next level of productivity and efficiency and need an injection of energy and some fresh ideas. It is for teams who are under pressure and need to look after themselves and for businesses who are undergoing change of any kind. These are some of the job titles that will benefit:

- Executives
- Managers
- General staff
- Human capital teams
- Compliance
- Technical teams
- Wealth managers
- Relationship managers
- Call centre staff
- Front of house staff

# Presenter

## **Ed Jordan**

Ed Jordan is a dynamic keynote speaker and seasoned executive and leadership coach, with over 10 years' experience empowering leaders and organisations to reach their full potential. After 25 years as a TV and radio presenter, multi-platinum recording artist and film composer in South Africa, he joined the corporate sector in 2014 and gained significant experience in financial services, specifically in innovation, wealth and high net worth private banking. He's worked in 16 countries across the African continent as well as London, Jersey and the Isle of Man.

Ed is now based in the UK and specialises in transformational leadership, executive development, and corporate communication coaching. He is passionate about inspiring change and fostering growth by delivering engaging keynotes and customized coaching solutions that drive performance and success.
