Course overview

The role of the in-house lawyer can be hugely stimulating and fulfilling but it can also be very stressful and fatiguing. It is tremendously important to take time periodically to step back from the day-to-day activities, which seem so pressing, to really consider the development of your, and your teams, performance.

This in-house lawyer training course has been specially designed to focus on and boost the essential skills the in-house team needs to grow and develop as a legal department within a commercial environment.

This one-day intensive training course will supercharge the in-house lawyer's performance by developing their commercial skills in-line with their legal expertise.

Benefits of attending

By attending this course you will:

- **Explore** your competencies and career development options
- **Boost** client care techniques to have a greater influence on colleagues in other departments
- **Integrate** with business colleagues whilst maintaining professional independence
- **Get to grips** with using available resources to best effect
- **Learn** successful techniques for raising legal awareness across your organisation
- **Understand** the benefits the legal team can bring to a business
- **Identify** areas and techniques for personal development

Who should attend?

Presenter

Helene Russell

Hélène Russell, founder of The Knowledge Business, is a UK solicitor (non-practising) and specialist in Knowledge, Learning and Innovation. After 8 years in practice, primarily in clinical negligence litigation defence, she has worked as a self-employed knowledge management consultant for 13 years. Hélène specialises in practical tools to improve the efficiency and profitability of real-life law firms.

Hélène has extensive experience in business strategy, project management and teaching leadership skills. She runs a popular 'KM Strategy + coaching' course in UK and has written short form and lengthy strategies for a variety of law firms, as well, of course, as writing her own business's strategy. Hélène has spoken at various events, including Ark's KM Legal, Lexpo-18, for UWE, St Andrew's University, BLS and Alice, and chaired international conferences.

She runs a global online KM training and networking group and is a core committee member organising the annual UK Knowledge Mobilisation Conference and Chair of CILIP's Knowledge and Information Management Special Interest Group. Hélène has an executive MBA with distinction (which included a strategy module), and she is the sole author of two textbooks, contributor to five of Ark's multi-author books and is currently contracted to Facet Publishing to write a handbook on KM Strategy.
